We still have two events to support before the close of the season, these are the show on the green on Saturday 20th June and our end of season shoot at Titchfield Abbey on Monday 22nd June starting at 6.30pm. We hope you can support these and come along to both events to round of the season, remember there is a £5 charge per person for the Titchfield Abbey shoot with all proceeds going to the Abbey Trust.

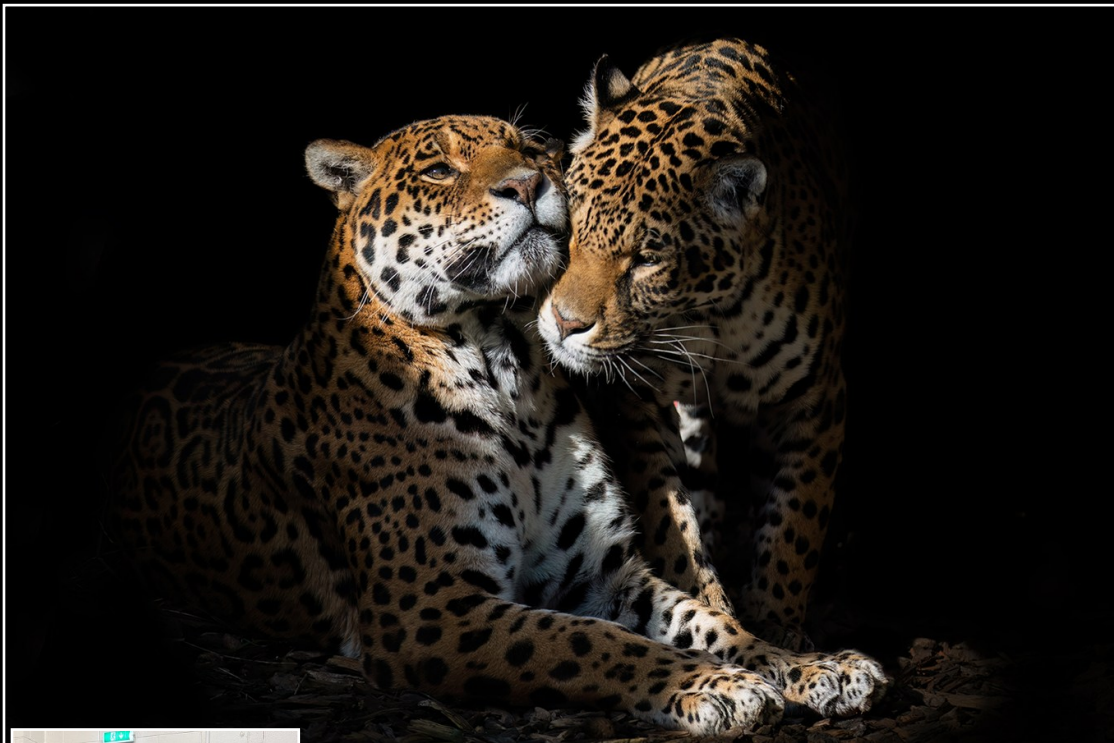

As always, we will be in touch during the summer and hopefully look forward to welcoming you all back next season when we start all over again on Monday 14th September 2026 at 7.30pm.

Kind regards

Photography Inspiration - Pinterest

Talking with club members, we all seem to have differing opinions on social media, especially Facebook and Instagram. However, there is an App and website which is growing in popularity and has been around a while, **Pinterest**. For inspiration on your photography I think it is difficult to beat, you can search for anything and it will come back with ideas. See below examples.

You can then save these images to a folder within the App, which you can name making them easy to go back to afterwards either on your PC, MAC or phone. Pinterest covers just about anything but can be very useful to photographers so give it a go!
